2015 YEAR-END APPEAL

As our 70th Anniversary year comes to an end, we not only continue our celebration of the past 70 years, but also our recent achievements for the Nantucket community. There has never been a better time to support the AAN than in this, our transformative year. We have a new Visual Arts Center (just fantastic!), we have more artist members than ever before in our history, the demand for art education has skyrocketed, and the appreciation for Nantucket's rich art history is ever increasing and enriching our lives.

Join me in making a year-end gift to AAN. By doing so, you are supporting our mission to foster the arts on Nantucket, and, equally important, you are giving us real encouragement, during our 70th anniversary year and beyond, to continue our efforts on behalf of Nantucket's art community. Sticking with the 70th theme, please contribute \$70 in honor of our 70th year and if you are able, perhaps even multiples of that \$70 figure.

Donald W. Van Dyke II
AAN Board President

WHY MAKE A YEAR-END GIFT?

Year-end support of the AAN has a lasting, positive impact on all facets of Nantucket's leading arts nonprofit. Donor support allows AAN to offer top-quality art opportunities for all ages; to expand and preserve its Permanent Collection of more than 1,300 Nantucket art works; and to foster the careers of Nantucket artists while cultivating a dynamic visual arts community.

Since its founding in 1945, AAN has evolved from a seasonal community of artists to a thriving year-round, nonprofit organization.

In its 70th year, a new era of art on Nantucket was launched with the opening of the Visual Arts Center. With the space to significantly expand its arts education and appreciation programming, the new VAC has become the island's leading arts education facility.

Make a donation today and join in celebrating the AAN's 70th anniversary. Your support will help to paint a vibrant future for today's art community and light the spark of creativity for a new generation of artists.
